

### REMARKS

Paragraph [0001] on page I has been amended merely to update the citations, without introducing new matter.

Restriction has been required under 35 U.S.C. § 121 among Invention I defined by claims 1-10; and Invention II defined by claims 11 and 12.

Applicant hereby elects, without traverse, to prosecute in this application the subject matter of Invention I and lists as readable thereon the claims 1-10. Applicant is retaining the remaining claims 11, 12 in this application, withdrawn from examination, pending allowance of a generic or linking claim.

Favorable action is solicited.

Respectfully submitted,  
Albert K. Chin

Dated: 2/1/07
